The Next Generation of Quality Assurance™

Florida 1802 Form **Wind Mitigation Inspections** *starting at \$105 - Statewide Coverage*

Quality Built, LLC utilizes a network of inspection management companies with access to hundreds of inspectors across the State of Florida. Quality Built utilizes a unique scheduling system to ensure property owners the fastest response by a qualified, trained, licensed inspector. Property Addresses are entered into our system and then our software identifies the closest, available inspector.

Qualified Inspectors include:

- Licensed contractors
- Engineers
- Building Inspectors
- Architects
- Adjusters
- Minimum of 3 years experience
- Insured
- QB Certified Training...*Above Industry Standards*

Professional Reports:

- Utilization of the QB Builder Link® software ensures consistency in the quality, format and delivery system from all inspectors.
- 3 tier quality assurance review
- Captioned Photos
- PDF format
- Educational materials to help property owners understand wind mitigation features, definitions, tips for document retention, contacting building departments, etc.

Ordering an inspection is easy! Go to:

<http://store.qualitybuilt.com> and click on Inspection Services. Enter the information on the property and the person to contact and Quality Built will do the rest!

Payment may be made at the time the order is placed or you may set up an account for monthly billing.

Expedited Inspection Services Available *(Additional fees may apply).*

BETTER QUALITY. LOWER PRICE.

HomeID®

Quality Built will provide your clients with a free Document Retention Website! With our QB HomeID® program, your clients will have the ability to store an electronic copy of their 1802 wind mitigation form along with other valuable documents such as Permits, NOA documentation, Invoices, Home Inventory, Warranties, Photographs and more at no charge! All documents are stored on a secure, password protected server which is backed up in three independent sites across the nation. This ensures your client's ability to retrieve documents 24/7 from any location using the Internet. HomeID® provides rapid retrieval of information to support insurance claims, prepare tax returns or simply to protect valuable information from being lost due to physical damage or hardware failure. This service is free only if provided by a licensed Florida Insurance Agent.

Additionally, if you elect, HomeID® can be customized and branded with your logo to offer seamless integration with Your Agency's Website! Ask to see a free demonstration today!
